Book Three of the Award-winning series by critically acclaimed author, JP McLean

Gold Literary Titan Medal Winner

Jane stands alone between a powerful artifact and the wrong hands. Jane Walker's alarming dreams, in which she sees events that have yet to happen, have finally subsided. The man who killed her parents and kidnapped Jane is behind bars. So it's the perfect time for Jane and her partner Ethan to set out on a road trip to unravel the secrets of her ancestry.

But their journey takes a spine-chilling turn when they encounter a gang of men who stare at Jane as if they recognize her. That can only mean one thing: they've met her in a dream she has yet to experience. When the gang begins stalking her, Jane realizes she must have witnessed a deadly event. But what could it be? She slips into hiding and waits for the disturbing dream to arrive.

And now her BFF, Sadie Prescott, is dating a cop whose curiosity about Jane leads him to unearth the mysterious deaths that litter her past. When his latest investigation crosses paths with Jane's stalkers, Jane must intervene and turn the skeptical cop into a believer before he kills himself and causes the deaths of his entire law enforcement team.

Immerse yourself in a supernatural thriller where dreams and reality meet, weaving a web of suspense that will keep you turning the page until the final, heart-stopping revelation.
